Welcome to Sisters In Support

We are so happy that you have decided to join us. We are breast cancer survivors but we welcome anyone with any kind of cancer who wants support. We are not experts but perhaps we are for we can share and exchange stories that only cancer survivors can do.

We know that we are here by the grace of God and we live daily with the hope that one day there will be a cure for our disease. For now, we walk prayerfully by faith and hope.

Please call on me whenever you need to talk or want me to talk.

Our support group meets usually on the 3rd Saturday of each month at the West Shreve Memorial Library on Pines Road at 1:00 PM. . We do not pay any dues and there is no penalty for not attending meetings. We have many members whom I have never seen for many reasons but we send support via mail, e-mail, or phone if the person wants to talk.

The only qualification to be a member is to be a cancer survivor or a supporter of cancer survivors and you want to give or receive support. We share our testimonies and learn from each other. We have speakers from medical professions and cancer organizations and sometimes we are selfish and we are the only speakers.

Yes, we love to eat and we volunteer and bring snacks for the meetings. We try to eat nutritious foods but sometimes we that is not always the case.

Again, we are delighted that you are a part of a group of persons who try to live life to the fullest daily.
